

**Do something good for
your pet and help to
end the pet
overpopulation problem
in Virginia.**

CONTACT SPAY VIRGINIA

- *Did you know that pets that are spayed or neutered live longer on average than pets that are not?*
- *Did you know that spaying or neutering your pet may stop unwanted behavior?*

If you are looking for a low cost spay/neuter option near you, call **SPAY VIRGINIA** at **877-9VA-SPAY** (M-F 10am to 2pm or leave a message at any other time)

OR

visit our website at www.spayva.org.

Spay Virginia is a project of the Virginia Federation of Humane Societies.
